CROCHETING THE OUTER AND INNER EARS TOGETHER:

I used the same color yarn as the outer ear to crochet the ears together, which is Lavender.

-Place the inner ear on top of the outer ear (Sometimes different yarns will end up with different sizes after you are finished crocheting. Even though I used both Red Heart, Medium 4 yarns, my inner ears were a little smaller, which doesn't matter.) I just stretched the inner ear slightly as I crocheted.
