

Write a **short letter** of support for Ginger Kathrens' renomination. (This is *not* a formal nomination but a letter of support in your own words).

Some points you can make:

- 25 years spent documenting wild horses
- Her award-winning series of Cloud films reintroduced America to their wild horses
- Tireless advocate for the preservation of wild horses and our public lands
- Thought leader in the wild horse advocacy community, her voice and opinion are widely respected
- Committed to working with the BLM to find sustainable humane management solutions

2) Mail your letter to the address below **before April 1, 2019**
