CROCHET DRESS: Start with your sparkle white (or Ivory Sparkle) colored yarn.

Collar of the dress increase rounds (Stitch count is very important):

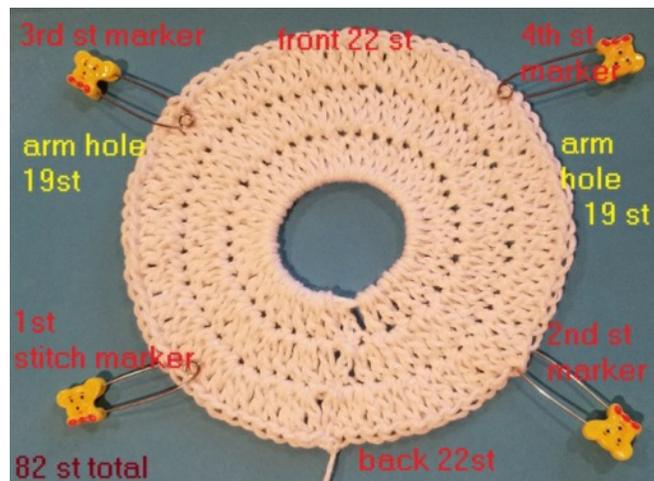

Starting chain- ch20. Slst into the first ch that you made to form a circle.
First Round- Ch3, make 40dc into the circle. Evenly space your dc around the circle. Slst into the top st of the first ch3 that you made. (40 total)
Second Round- Ch3, make 2dc into the next st. *Make 1dc into the next st and then 2dc into the next st. Repeat from * for one round. Evenly space your dc into any remaining stitches to complete 61 stitches. (Be careful not to skip the first st. in the round. Hint: Count the posts of the dc.) Count your stitches before you slst into the top st of the first ch3 that you made. (61 total)
Third Round- Ch3, make 1dc into the next st and then 2dc in the next st. *Make 1dc into 2 st and then 2dc into the next st. Repeat from * for one round. Evenly space your dc into any remaining stitches to complete 82 stitches. Slst. FO. (82 total)

Placing your stitch markers: 16:45 in the video tutorial

Right side up. Using the loose yarn end where you finished off as a landmark, have the loose yarn end facing towards you. Starting with the loose yarn end st, count to the left and place your st marker in the 12th st. Return to the loose yarn end st, and not counting the loose yarn end st, count to the right and place your 2nd st marker in the 12th st. Now, return to your first st marker, and counting the same st with the first st marker, count 19 st and place the 3rd st marker in the 19th st from the first st marker. Then, return to the 2nd st marker, and counting the same st with the 2nd st marker, count 19st and place the 4th st marker in the 19th st from the 2nd st marker. You should have 22 st towards the front, and back, of the dress. (82 total stitches)
