

HAPPY HOLIDAYS

Santa's Lookouts

As the Christmas season fast approaches, Santa becomes increasingly busy. These Lookouts help Santa keep an eye on all those who are nice and especially those who are naughty!

It's quite peculiar that the Lookouts can't see but, maybe that is just what they want you to Believe!

Because, the Lookouts see everything....They're MAGIC!

So, be on your best behaviour. Santa's Lookouts are always watching and reporting back to the North Pole.
